Your credit card number and expiration date.

P.S. We hold your credit card number only to guarantee your reservation. Payments will be charged at the end of your service according to the rates quoted. We accept cash payment (Euro), Travel Cheques or VISA/AMEX/MASTERCARD credit cards. (10% commission with credit card payment)

- Do we get charged if the boat doesn't dock?

We take the credit card details purely for guarantee purposes, the credit card provided will not be charged at anytime. If the ship does not arrive into the port, this would not have been the client's fault. However, the tour will be automatically re-scheduled once the boat is in the port, if you are still on board of course. A fee would be charged if the tour was cancelled for any other reason within the 14 day cancellation period.
