PROGRAMME (4 hours' tour)

FERRARI/LAMBORGHINI/MASERATI TOUR ON THE MILLE MIGLIA ROUTE

- **Meeting in Civitavecchia (60 minutes from Rome)**, at the "Sporting Yacht Club" at tourist harbour "Riva di Traiano" or at the main cruise harbour, where 3 different Italian Top Cars, latest models, will be waiting for our guests.
- **Official sports-car briefing** with our Tour Director and Rome Connection team.

Italian Top Car driving briefing

Our English-speaking Tour Director, an expert sports car driver, will brief the group on how to drive the different Italian top car models. He will present the full range of Italian sports cars; explain the difference between the various models (**Ferrari F430 Spider, Lamborghini Gallardo LP 560-4 and Maserati Granturismo**) and the engines (8- and 10-cylinder) and, most importantly, give guidance on how to handle the F1 paddle-gear shifting behind the steering wheel.

Rome Connection car portfolio will be made of 3 different Italian top car models, at disposal for the group for the whole morning or the whole afternoon.

Italian Top Car driving experience

Our **Tour Director** leads the convoy at the wheel of his Alfa Romeo Brera 3.2, guiding the super cars along the **most exciting hilly and curving roads**, carefully selected by Rome Connection. A further support car (with mechanics) will follow the convoy to ensure safety and to assist the group drivers if necessary. Each team member is connected to the rest of the group and to Rome Connection staff by means of a powerful radio system.

Enzo Ferrari defined it "the world's greatest road race". And he was right. "Mille Miglia" is a historical car race that took place between 1927 and 1957, covering the one thousand miles route Brescia-Rome-Brescia. The Mille Miglia is now a world-renowned event, epitomising the passion people hold for cars - cars in the pursuit of adventure, excitement and discovery.

During your drive, you will pass by some of the most important places of a historical race, the Mille Miglia, which has made famous worldwide auto brands such Alfa Romeo, Lancia and Ferrari, as well as Bugatti, Mercedes-Benz, BMW.

Itinerary: Civitavecchia, Tarquinia, Tuscania, Vetralla, Monte Romano, Tolfa Mountains, Bagni di Stigliano, Lake of Bracciano (halt for a break), Castel Giuliano, Cerveteri, Santa Marinella, Civitavecchia.

You will discover the splendid landscape of the Tuscia area, and the uncontaminated Tolfa Mountains, where one can still smell the ancient times, when the Etruscans populated this place. Yet, this atmosphere can be seen in the ruins of ancient necropolis found in the area.

- Travelling along the stirring roads of the Lake of Bracciano and the Tolfa Mountains, you will drive the super cars towards an **ancient Castle**, where you will enjoy a magic atmosphere for an unforgettable **aperitif break**.

Drive back by Ferrari, Lamborghini and Maserati towards Civitavecchia

- Arrival in Civitavecchia for the 2/6 participants, and the end of the services with Rome Connection

NOTE: The same programme can be organized both in the morning session (meeting h. 09.00) or the afternoon session (meeting h. 14.00).
